The Castle's elegant dining room is perfect for an intimate reception, and can accommodate 2 - 60 day guests including 'the happy couple' and up to 40 more guests for an evening reception.

For larger weddings, Pentillie is the most magnificent backdrop for a marquee which can be joined to the Castle loggia on the east terrace, standing alone on the Old Tennis Lawn or even situated on the highest point of the Estate at the Stone Circle.

YOUR WAY

"We got married this weekend and stayed all weekend! Not only is it in a beautiful setting, the castle is one of the most stunning places I have been. The team and owners are extremely open, generous and welcoming. When they say you can have your own castle for the weekend, they actually mean it! All of our family and friends could not praise it enough and the wedding and catering staff were incredible and I cannot thank you enough for everything!" - Mr & Mrs Elliot -Wiley
